**A QUARTER OF A CENTURY AGO...**

It was the United States' Bi-Centennial, CB radios were the rage, the first Cray Supercomputer was built, the Olympics were in Montreal, "Rocky" launched the career of Sylvester Stallone, Jimmy Carter was elected President, Mao Tse-tung died, Wings was singing "Silly Love Songs," MIDEM was held in a building that has since been torn down and replaced by the Noga Hilton, and "New On The Charts" was born.

"NEW ON THE CHARTS is one of a kind! It has not only provided my company with an avenue to reach out to singers and songwriters when I am in need of material but has also given my company a means to submit our material to other artists and film supervisors. Thanks a million!"

**Jay King**, President/CEO – D.P.H. Ent. Group Corp.

**Linda Komorsky** – Touch Tunes

"I licensed an entire album...to MTV for their shows. I did hear a portion of my song, 'Runaway,' included in the 'Making The Video' episode featuring 'N Sync... Thanks for the lead!"

**Robert Hauver** – Hudson Valley Records

"When I need to find information on the latest videos, there's no faster or easier way than checking NEW ON THE CHARTS. Their magazine and website are invaluable."

**Jill Kaplan**, Manager Video Services – Atlantic Records

"A consistently reliable source for information on music videos, it's the first thing I reach for when I need info on a specific video. In fact, some of the info can only be found in this resource (short of calling the labels and hassling them)."

**James O'Toole**, Video Department – Warner Bros. Records

"Thanks for being there, you've kept me alive for years."

**Robert Anthony**, Publisher
